HONOR GUARD COMMITTEE

FINAL DISPOSITION OF MY FRATERNITY EFFECTS

I, (*print full name legibly*) _____, Control Number _____, a member of the OMEGA PSI PHI FRATERNITY, Inc. (hereinafter, the “Fraternity”), hereby authorize and direct my heirs and assignees, and any others who have or shall have access to, custody and/or control of my effects to identify, locate, secure and transfer such effects belonging to or owing to the Fraternity or its unincorporated associations in a timely manner following my death to the appropriate custody and control of the Fraternity official(s) identified herein.

The appropriate Fraternity contact officials shall be the local chapter Basileus or the Keeper of Records & Seal for the chapter where I was last actively affiliated at my time of death (if known), or the Chairman of the Second District’s Honor Guard Committee, as identified on the Second District website at www.opp2d.org, by contacting the Honor Guard Committee via email at honorguard@opp2d.org.

The effects to be returned include, but are not limited to, my official Fraternity badge/pin, any originals or copies of the Fraternity Ritual, and any Fraternity-related manuals or papers. Other effects not noted herein may be identified and shall also be transferred unless such items are personal awards, photographs or communications of a personal nature, unless specifically noted in an addendum to this document.

Paraphernalia and similar items bearing the Fraternity’s name, emblem or Greek letters shall be returned to the Fraternity officials noted herein unless authorized by the Fraternity for transfer to a family member who is himself a Fraternity member verified by the Fraternity’s International Headquarters.
